## Chinese Students going to Europe

Source: Chinese Ministry of Education, 2010

According to data collected from Chinese authorities the total number of **Chinese students in the EU in 2010** was between **118,700 and 120,000** – about six times more than in 2000.

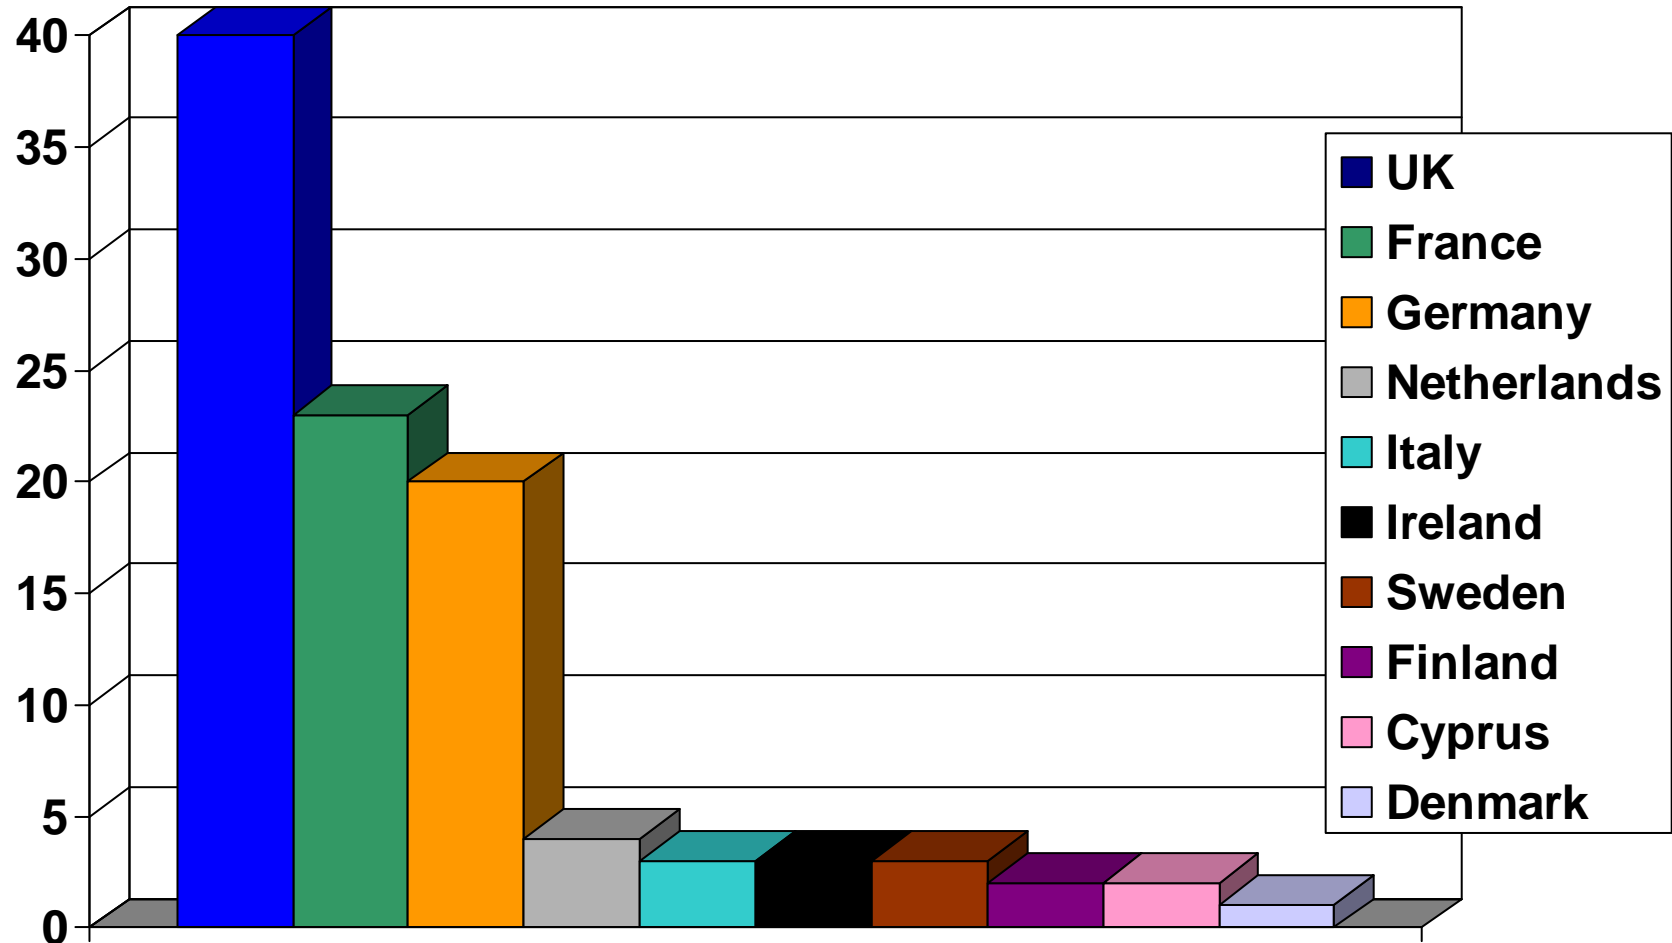

The number of Chinese students studying in the EU is generally increasing, particularly in Finland, France, **Italy**, the Netherlands and Sweden. However growth is slowing down in the UK, Ireland, Belgium (NL), and declines were reported in Germany and Denmark.

Chinese students studying in the EU are generally concentrated in the fields of **economics/business and technology/engineering**. Most study at the undergraduate level. Generally, less than **10% study at doctoral (PhD) level**.

# China Scholarship Council (CSC)

What is **CSC**?

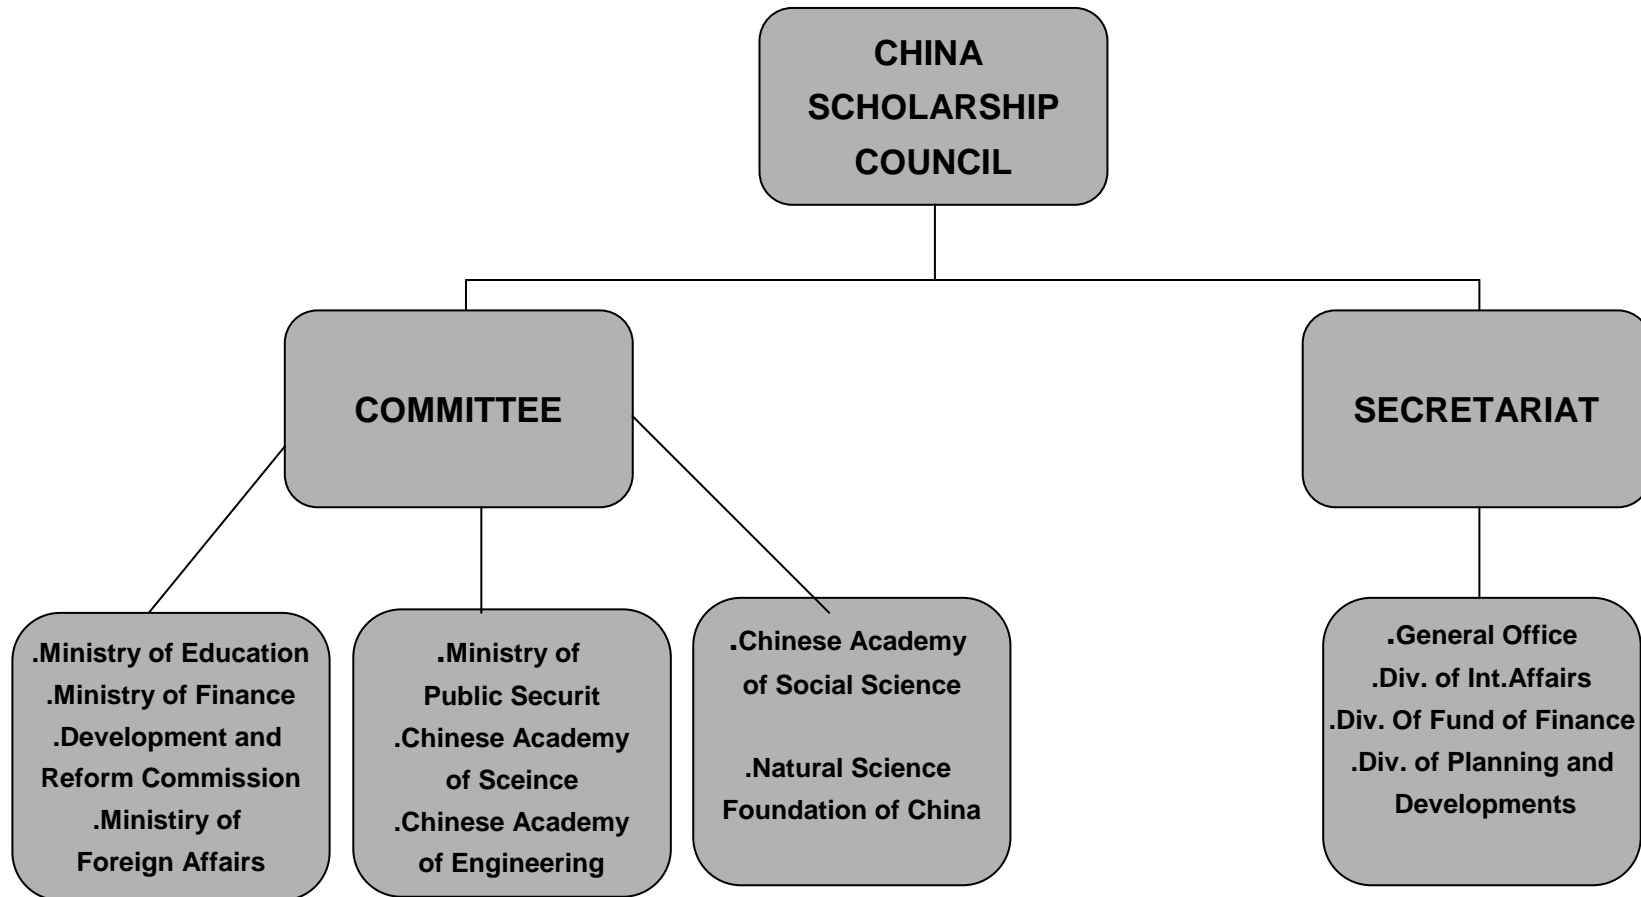

The China Scholarship Council (CSC) is a non-profit institution affiliated with the Ministry of Education.

**CSC main aims:**

- Provide financial assistance to the Chinese citizens wishing to study abroad and to the foreign citizens wishing to study in China
- Develop educational, scientific and technological progress
- Promote cultural exchanges, economic and trade cooperation between China and other countries

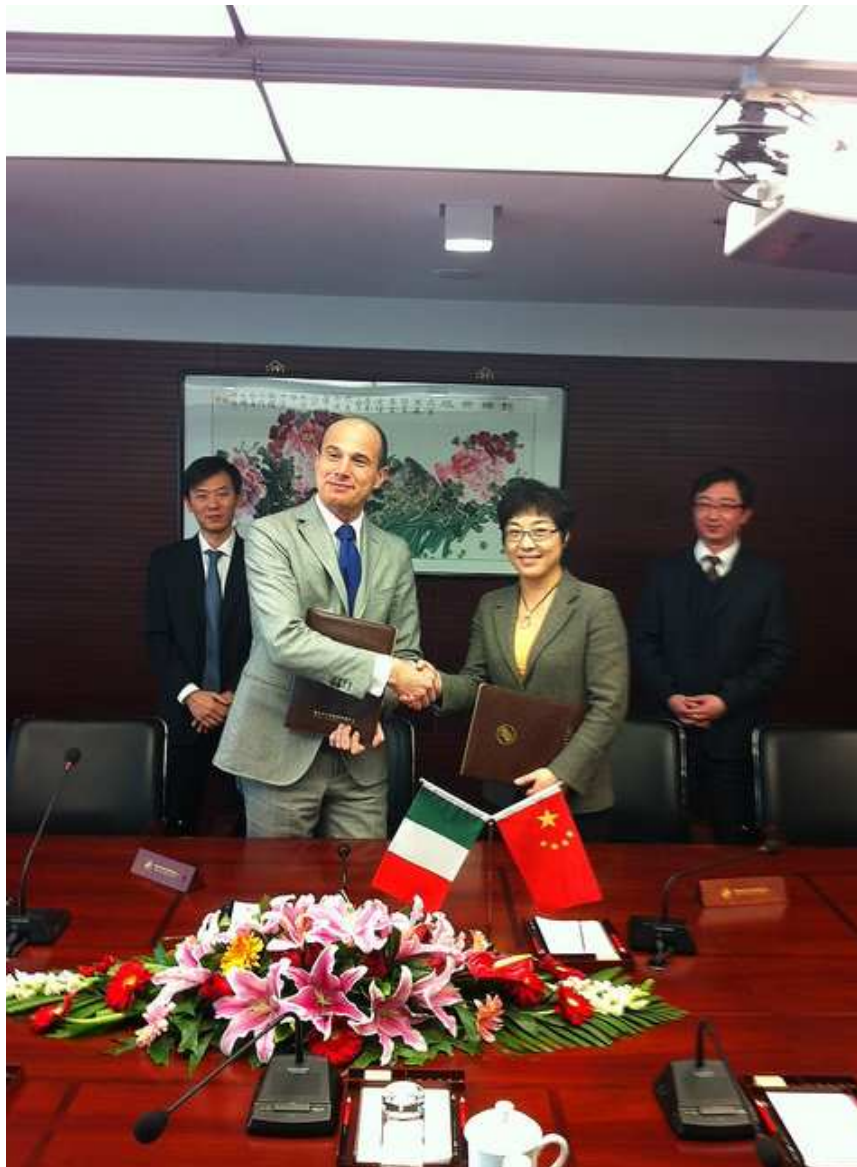

# China Scholarship Council - Structure

## CSC and Politecnico di Milano

On January, 9 2012, Giuliano Noci and Ms. Yang Xinyu signed an agreement between Polimi and Chinese Scholarship Council for PhD programmes.

Thanks to this agreement CSC will provide to outstanding candidates a full scholarship for the whole duration of the PhD.

For details on candidates' selection criteria and procedures, visit:  
the Polimi Phd School website at  
the page ---> Internationalization  
---> China Scholarship Council
